

NAGAON G.N.D.G. COMMERCE COLLEGE

Estd. – 1984

Jyotinagar, Panigaon, Nagaon, Assam, Pin-782003

Accredited by NAAC, Grade-B++, Recognized by UGC with Section 2(f) and 12(B)

Best Practices- Session 2022-23

National Assessment and Accreditation Council
An Autonomous Institution of the University Grants Commission

राष्ट्रीय मूल्यांकन एवं प्रत्यायन परिषद्
विश्वविद्यालय अनुदान आयोग का स्वायत्त संस्थान

Best Practices Session 2022-23

Best Practice 1:

Title of the Practice:

Motivational Awards to Students.

A person who is appreciated will always do more than is expected. Appreciating and rewarding is a great approach to celebrate hard work and success especially in a student's life. Even the slightest recognition works as a great motivation for the students and encourages them to work even harder and sincerely. Recognizing students with awards and certificates make them and their work stand out which again motivates them and attracts other students to work harder.

Objective of Practice:

The college strongly believes, **like punishing and correcting a student's fault, recognizing a student's success is also necessary.**

The objectives of the Practice are to;

- a. Acknowledge the sweat affords of students.
- b. Inculcate the awardees to persist same spirit in future.
- c. Inspire fellow student to work hard in the same manner to achieve such honors.

The context:

In today's fast paced-world and escalating social media interaction, people especially young students seem to be caught in the vicious circle of existences. The need of motivation has magnified. Young students require extrinsic motivation like external rewards and recognition to give wings to their dreams. Motivational awards can provide the much needed boost and push to stretch their learning capacities. An award based on merit can inspire the recipient student to be continued in future.

The Practice:

Inspiration Award is given to the overall Topper in M.Com., B.Com., B.Sc. and BBA final examination conducted by Gauhati University. The award includes a Phulam Gamucha, Certificate of Appreciation and a bundle of Books.

Awardees of 2017-2023 are:

Year	Name of the Student	Programme	Grade
2017 – 2018	Krishna Agarwal	M.Com.	7.41
	Munhi Parul Islam	B.Com.	7.0
	Addhaya Sarkar	BBA	1 st Class

2018 – 2019	Rahul Choudhury	M.Com.	7.25
	Biswa Jyoti Saikia	B.Com.	7.9
	Pompi Borah	BBA	1 st Class
2019 – 2020	Parul Khatun	M.Com.	6.55
	Amsar Ali	B.Com.	8.4
	Pallabi Sarmah	BBA	1 st Class
2020 - 2021	Sonali Aich	M.Com.	7.85
	Bhaskar Jyoti Nath	B.Com.	7.67
	Dimpi Sharma	BBA	Distinction
2021 – 2022	Himashree Borah	M.Com.	7.45
	Tapas Jyoti Laskar	B.Com.	7.22
	Ashif Khan	BBA	1 st Class
2022 – 2023	Animesh Saha	M.Com.	7.95
	Arifa Begum	B.Com.	8.3
	Chittaranjan Nath	BBA	7.12

Evidence of Success:

A good number of meritorious students have been awarded so far with these motivational incentives and awards. The deserving students are usually felicitated during prize distribution Ceremony of Annual College Week as such an occasion will stimulate and inspire them in emulating the winner.

Problems Encountered and Resource required:

As these awards are given to the recently passed students, a few are unable to receive the awards during the felicitation ceremony. So, it is handed over in absentia later on. Further, due to the Covid-19 lockdown during March, 2020 felicitation to the awardees was clubbed together during Freshmen Social ceremony held in Sep'2022. The resource required for the programme is managed from college fund.

Best Practice 2:

Title of the Practice:

Going Green - "Going green" means to pursue knowledge and practices designed to help us live in a more eco-friendly way, that can lead to more environment friendly and ecologically responsible decisions and lifestyles, which can help protect the environment and sustain its natural resources for current and future generations giving a positive impact on the environment.

Objectives of the Practice:

The college firmly believes that, when it comes to environmental conservation, awareness must be followed by sustainable practices.

- a. To promote awareness of environmental issues among the students, staff and society.
- b. To achieve better sustainability on the campus and improve the quality of life of all the stakeholders.
- c. To conserve water resources through rainwater harvesting.
- d. Produce fertilizer by way of vermin composting.
- e. To use renewable energy resources (solar energy).
- f. To implement 3 'R' (Reduce/Reuse/Recycle) policy on the campus.
- g. Reduce use of plastic.
- h. To study and maintain Flora and Fauna on the college campus.

The Context:

Besides the pursuit of academic excellence, societal and academic reforms are meant to motivate students so that they are able to develop themselves into educated men and women, ready to carve a niche for them in society. Keeping the growing ecological concerns in mind, there is a dire need for immediate action to be carried out and promote eco-friendly practices. A clean environment is a basic necessity of human beings for health and efficiency. The main aim of them practice is to impart knowledge, create awareness and develop an attitude of concern and to nurture necessary skills to handle the environmental issues and challenges. The rural village region and greenlandscaping of college are the necessary features for shaping and sustaining an eco-friendly campus. The college is spread over 11.96 acres of lush green area out of which nearly 50% is green cover.

The Practice:

- a. The college has developed beautiful campus with Landscapes and Gardens.
- b. The college as installed a water tank for harvesting the rainwater.
- c. The college is using renewable energy like solar energy.
- d. The college has installed Solar Power Generation Plant of 10 kWh.
- e. The college has installed two vermin composed pits to generate organic fertilizer.
- f. The college has preserved Flora and Fauna on the campus and maintained a record of them.

- g. Signboards/posters are displayed on the college campus for encouraging ideas of plastic-free campus and environmental awareness.
- h. LED bulbs are installed in the college buildings to save electricity.

Evidence of the Success:

This best practice has proven to be successful through the following activities:

- a. The raw materials collection for the vermin composts directly impacts in the campus cleaning and recycling of waste generated within the campus.
- b. There is a regular saving of college revenue by using in-house generated organic fertilizer rather than purchasing it from market.
- c. The college seems to have a plastic free environment, thus beautifying the landscapes and the college's green environment.
- d. Through periodical tree plantations, Flora and Fauna on the campus has enriched, which has turned into eco-friendly campus.
- e. Out of total required electrical power consumption, a considerable amount is generated in-house through the use of Roof top Solar Power Panels, thus easing in college revenue saving .
- f. Shifting to LED bulbs from regular bulbs and tube has also reduced a considerable amount of energy consumption.
- g. Awareness campaign for the plastic-free campus through signboards/display boards made campus plastic free.
- h. Through workshops and NSS and other Cells activities, students are made aware of environmental issues.

Problem Encountered and Resources Required:

While carrying out this practice, following problem are encountered by the college.

- a. Green Campus initiatives are challenging so it requires determination and a long-term assurance from all the stakeholders.
- b. Green Campus initiative is expensive practice and need expertise. It needs an expert advice and investment of resources.
- c. Sufficient manpower to maintain them.
- d. Less awareness of students and community towards environmental issues.
