In the beginning of each academic session, the Principal forms an Internal Examination Committee for smooth conduct of internal examinations. The Internal Examination Committee finalises the dates of internal examinations.
- **Decentralization of examination:** The departments are entrusted to prepare question paper for all internal examinations. The Coordinator of the Internal Examination Committee prepares Invigilators list for smooth running of internal examinations. The dates of internal examinations are notified in the central as well as departmental notice board.
- **Evaluation:** The answer scripts are evaluated within a specified time after completion of examinations. The marks are put up in the central and departmental notice board. The answer scripts and marks allotted are also discussed with the interested students in the departments.
- **Notification of Home Assignments:** Notifications in respect of topics and dates of submission of Home Assignments are given in the respective classes by the concerned teachers. Departmental whatsapp groups are also used to circulate such information among concerned students. Absentees with genuine reasons are given an opportunity to reappear in examinations.
