## About

Gauhati University will be implementing educational programmes structured under NEP-2020 from this Academic Session i.e. from 2023. It has been a quite a bit of challenge to roll out the NEP-enabled programme, especially with over more than 300 affiliated colleges ranging across the length and breadth of the State of Assam.

Our flagship programme under NEP 2020 will be the **Four-Year Undergraduate Programme**, code named **GU-FYUGP (or FYUGP)**, which is the four-year **Bachelor's Degree programme with multiple entries and exits**. This is being implemented in all **affiliated colleges under Gauhati University as well as in the University Campus**. With over more than 40 (forty) diverse subjects under the programme, this has been one of the biggest academic exercises, the university has carried out since the implementation of the semester system in undergraduate level. All admissions to the Bachelor's Degree programme under Gauhati University from the forthcoming academic session i.e. 2023-23 (starting in August 2023) will be under the **GU-FYUGP**.

As we progress through our implementation roadmap, you will be able to see the forthcoming developments and updates through this website (<https://nep.gauhati.ac.in>).
