

Students Day Nagaon GNDG Commerce College

The Assamese, English and Hindi departments of Nagaon GNDG Commerce observed 31st March, 2023 as **Students' Day** to commemorate the birth anniversary of **“Bodofa Upendranath Brahma”**, a student leader and social activist who was conferred the title of **Bodofa** or **Guardian of the Bodos** is observed for the first time on 31st March 2023 as Students Day.

To commemorate the occasion the departments together organized a seminar on **Value Education and Academic Growth** and invited academicians **Sri Sapunti Bordoloi** as resource person, who besides being an eminent dramatist and playwright is also reputed as a debater and reciter.

Sri Bordoloi spoke extensively to a packed audience of teachers and students and stressed on the importance and necessity of moral values in the lives of every individual. He admitted that it is our negligence in adhering to strict values in every sphere of our life that is leading to ethical erosion and gradual conflicts in our relationships with others. To protect the environment and to build a society that is mindful of the needs of others, value education is an urgent necessity in today's world. Value Education helps in forming healthy habits and in adjusting and adapting ourselves to different situations by correlating the emotions of our heart and brain. To build a society consisting of responsible citizens, Value Education should invariably be included in the curriculum and that is the reason why it is strongly emphasized in the New Education Policy. The seminar was inaugurated by the Vice Principal of the college Sri Mridul Mahanta.
