

Teacher's Day, 2023

Nagaon G.N.D.G. Commerce College

The college celebrated Teacher's Day on 5th of September, 2023 to commemorate the birth anniversary the former President of India Dr. S. Radhakrishnan. The Teacher's Day Programme was organised by the College Students' Union with the active participation of the students of the college. The teachers were invited to the programme as invitee of the event. The programme was started by the lighting up of the lamp in front of the photograph of Dr. S. Radhakrishnan by the Principal of the college Dr. Mriganka Saikia. The students felicitated all the Faculty members of the college from all different streams and departments. Dr. Mriganka Saikia in his speech highlighted the importance of the day and the idea behind the celebration to acknowledge the dignity and contribution of a teacher in nurturing young mind and nation building. Prof. Mridul Mahanta, Vice-Principal of the College and Prof. Jahirul Islam Pathan, Associate Professor of Hindi Department also spotlighted the importance of the event in the life of a student to build up his or her future and the nation. On the behalf of the students of the college the President and General Secretary of the students Union and many other students conveyed their regards and thanks to the Teachers through speeches, poem recitation and songs . At the end a colourful cultural programme was also organized by the students of the college.

Apart from these, the students of M.Com department have also celebrated the Teacher's Day in their classroom where they felicitated all the faculties of M.Com department as well as the Principal of the college.
