

Saraswati Puja- 2024

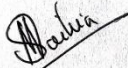

Nagaon GNDG Commerce College

On 14th February, 2024 on the day of Vasant Panchami, the College Student Union organised the Saraswati Puja at the college campus. Along with the Principal all the college staff and students of the college took part in the Puja and seek blessing from the Goddess Saraswati.

For the first time the college students showed their entrepreneur skills by giving small stalls on food and craft at the college campus. The step was welcomed and encouraged by all the college family members. The students were encouraged to take such initiatives in future also.
