# NAGAON G.N.D.G. COMMERCE COLLEGE PROMOTES GREEN DIWALI THROUGH NSS AWARENESS RALLY

On 7th November 2026, the National Service Scheme (NSS) Unit of Nagaon G.N.D.G. Commerce College organized a public awareness programme to promote the celebration of an eco-friendly Green Diwali. The programme was conducted under the leadership of **Prof. Ram Prasad Patar** with the objective of creating awareness about the harmful effects of firecrackers on the environment, human health and animal welfare. The programme began with an address by **Mrs. Bijumoni Pathak, Principal i/c**, who highlighted the importance of celebrating Diwali responsibly by avoiding firecrackers and adopting environment-friendly practices. She emphasized that excessive use of firecrackers causes air and noise pollution and creates distress among animals and birds. She urged everyone to celebrate the festival with compassion towards nature and all living beings. Following her address, the Principal i/c formally flagged off the awareness rally led by Prof. Ram Prasad Patar. NSS volunteers and members of the college community participated enthusiastically, carrying placards on environmental protection and animal welfare. As part of the campaign, NSS volunteers, students and teachers distributed informative pamphlets among the general public, highlighting the harmful effects of firecrackers and encouraging people to adopt eco-friendly alternatives. The initiative reflected the college's commitment to environmental sustainability, community engagement and social responsibility, spreading the message of a cleaner, greener and compassionate Diwali.
