

# ANTI-RAGGING COMMITTEE: BOOKLET

Ragging the word sounds very terrible for a new student, who is going to take admission in an educational institution. Ragging within a logical limit may be tolerated. This is because, some shy students get open quickly and they can freely mix with their seniors. But when it goes beyond limit, it causes danger in our society.

When it goes beyond limit, students fear to go to their Colleges. Too much ragging causes depression on students mind. As a result, some students may not take admission in good Colleges because of ragging there. It is also reported in some Newspapers that some students even commit suicide because of ragging. Thus, ragging spoils the future of many bright students. In our College, ragging is strictly prohibited. The following measures will be sincerely followed in order to restrict ragging in our College:

1. Suspension from Classes.
2. Fine with public apology.
