Analysis of Feedback of students

Based on the questionnaire supplied to the students the following observations are noted:

1. The existing course curriculum of various subjects is though good but is not extremely good. So attention of the university Authority is required towards revision of curriculum.
2. The extent of coverage of the syllabus in the class is 75 to 90 percent . The college authority should frame a systematic routine with additional classes to cover the entire syllabus during the session
3. The reports about library facility shows that library facilities needs to be developed with more books and space
