

## Implementation of NAAC recommendation of last cycle (Cycle -2);

Sl.No	Recommendations	Action Taken (Implementation)
1	College should take immediate initiative to fill teaching posts including Director of Physical Education as per University Norms.	For Director of Physical Education, HEI appointed Mr. Krishna Kamal Das to conduct YOGA, meditation, for practice of Gymnastic, a coacher is appointed by the College authority for improvement of Physical and mental part of the students.
2	More vocational and skill based courses may be introduced with the support of UGC.	The HEI under the approval of Academic Council of the College, Vocational and Skill base courses. 1. Tourism and Travel Management. 2. Insurance Marketing, 3. Soft Skill and Personality Development. 4. Interview Strategies. 5. YOGA Fundamental Course. 6. Service Marketing. 7. Sales and Marketing are introduced and implemented.
3	Efforts may be made to acquire/purchase adjacent land to ensure enough space for future expansion.	There is a space of about 3 bighas (1.859 acre) approx. land nearer to our college which is used by the adjacent school. But that land was found under the name of Normal School in the official records. HEI is trying to make this space as common sports field for the adjacent B.Ed. College, high school and the Nagaon GNDG Commerce College. The proposal is under consideration among the stock holders.
4	Girls' Hostel facility may be further augmented to accommodate more Girls' and Boys Hostel too may be built.	The Girls Hostel facility has to be expanded with PM-USHA fund (if provided by the Govt.). The College proposed for the construction of Boys Hostel under PM-USHA grant (if provided by the Govt.).
5	Research Culture, Quality Publication and Consultancy needs to be developed.	HEI published research base peer received ISBN edited book with the help of Research and Development Cell of the College. It has regularly published the College bulletin "VIBGYOR" half yearly. Academic monitoring committee has been trying its best to motivate each and every department in order to publish research base articles. The placement Cell of our college, organized consultancy service regarding portfolio management.
6	More use of ICT enabled Teaching and Language Lab must be encouraged.	The College implemented digital class rooms, Seminar Hall, Projectors in each and every class. Language lab is introduced after the recommendations of the Peer Team committee, and was functional till the availability of the fund received from UGC.
7	Career Counseling and Soft skill training should be strengthened preferably with the support of Professionals.	Time to time Career Counseling sessions and soft skill trainings are organized by career counseling and placement cell of the College, where resource persons from different institution invited to guide and train the students.
8	Temporary Faculty Members should be appointed and paid as per UGC Norms.	It is initiated by the College authority as per the rule of Assam Government.
9	Toilet facilities and campus sanitation may be improved.	It has been improved properly.
10	Alumni Association should be registered and be fully functional.	It is has been already registered. The Alumni Association is working properly.
11	Lift/Ramp facility may be developed for differently-abled students.	Various ramps are constructed in the College campus i.e. in front of canteen, in front of academic building and also connected with the toilet of the students.
