## CALL FOR RESEARCH PAPERS/CHAPTERS FOR EDITED BOOK NAGAON G.N.D.G. COMMERCE COLLEGE

Dear Academicians,

Research and Development Cell, Nagaon G.N.D.G. Commerce College is pleased to inform you that an Edited Book titled "Entrepreneurship: Issues and Perspectives" bearing ISBN is going to be published in the month of April, 2023. We invite articles, chapters, and unpublished research papers, case studies from academicians, research scholars, faculty members, corporate executives and social scientist from all over India.

Some of the broad issues which may cover sub themes are listed below:

- Entrepreneurship and Economic development
- Rural entrepreneurship
- Role of Micro Finance
- Tourism entrepreneurship
- Role of Self Help Groups in Entrepreneurship
- Woman entrepreneurship
- Any other issue covered by the main theme

### Objective of the edited book :

A country or a nation may be rich in natural resources but if its natural resources are not optimally utilized for sustainable development, it cannot make progress. Today we need energetic entrepreneurs, who can not only convert our resources into profitable output but also create new job opportunities. The prime objective of the edited book is to present or highlight some of the issues, problems faced by Indian entrepreneurs today. These articles will spur the interest of our students, academicians, research scholars, government agencies, social scientists in understanding the various problems and their solutions with reference to India in general and North East in particular. The topic is also important to solve the chronic and growing unemployment problem in our country.

**Word limit for Submission :** Submit your articles/case studies not exceeding 5000 words.
