He was born on January 23, 1897 at Cuttack in Odisha and his birthday or Subhas Chandra Bose Jayanti is being celebrated as ‘**Parakram Diwas**’ (day of valour). Bose was in Germany in the year 1942 when he earned the honorific title ‘Netaji’, meaning “Respected Leader” in Hindi, by the Indian soldiers of the Azad Hind Fauj or the Indian National Army and by the German and Indian officials in the Special Bureau for India in Berlin. Netaji’s death is one of the most discussed and mysterious deaths in India. He is said to have died from third-degree burns when his plane crashed in Taiwan on August 18, 1945.

We all salute to Netaji, Jai Hind.
