

DISTRICT-LEVEL TRAINING-CUM-WORKSHOP ON ARTPS ACT AND SEWA SETU PORTAL HELD AT NAGAON UNIVERSITY

An Orientation Programme and District-Level Training-cum-Workshop on the Assam Right to Public Services (ARTPS) Act and services available through the Sewa Setu Portal was held at Nagaon University on August 12, 2026. The programme aimed to familiarize participants with the provisions of the ARTPS Act and enhance awareness of various citizen-centric services provided through the Sewa Setu Portal.

The NSS Unit of Nagaon G.N.D.G. Commerce College actively participated in the programme, with seven NSS volunteers representing the college. Their participation provided an opportunity to gain valuable knowledge about government services, digital platforms and citizen-oriented initiatives.

The programme served as a useful platform for promoting awareness among young volunteers about their role in facilitating access to public services and strengthening community engagement.
